**Edellyn Bonny  
Rothes 5th and Edellyn Bonny Rothes  
8th, full sisters to  
Edellyn Royal  
Leader 114th.  
Three heifers from  
this famous family  
sell. This is the first  
year Edellyn has of-  
fered any females  
from the Bonny  
Rothes family.**

**THE EDELLYN KIND**

Posed in front of the monument erected in memory of the immortal Browndale Count is the 1946 International reserve champion female Edellyn Dorothy 21st by Edellyn Royal Leader with her 1954 heifer calf by Beaufort Bulldozer. This cow is the dam of Lot 14, the granddam of Lot 23 and the great granddam of Lot 37.

When you own an Edellyn bull there are many things you just simply take for granted.

You know that over a third a century of breed leadership lies behind Edellyn productions.

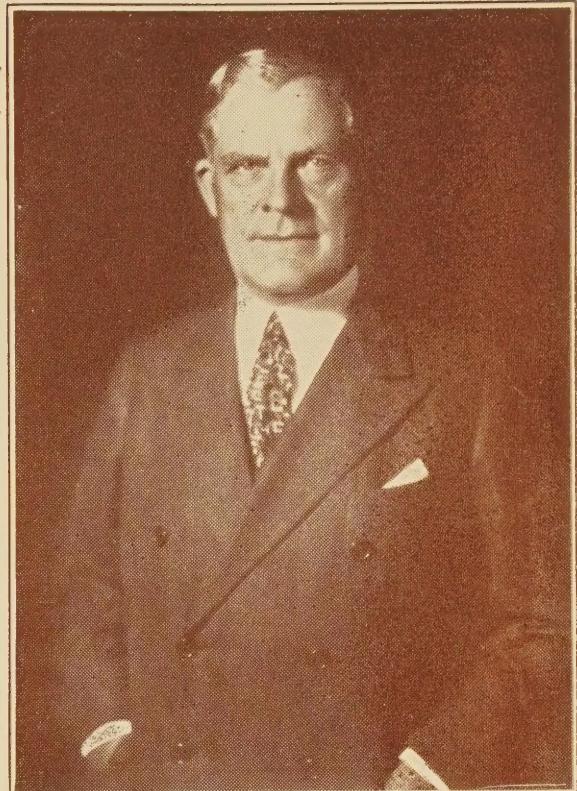

You know that you are using bloodlines with a record for producing International grand champion steers over all breeds unequalled by any herd.

With the knowledge that the type established by Edellyn leads the way in American show rings, naturally there will be a feeling of confidence that your calves will find favor with good judges everywhere.

With the knowledge that the descendants of Edellyn sires invariably sell at the top in state and national sales, there will be an equal feeling of confidence that your calves will bring premium prices.

Because Edellyn bulls and females accomplish so much for their owners and the investment can be spread over so many descendants, the original price seems insignificant.

Join The  
World's Most  
Discerning  
Cattle Audience

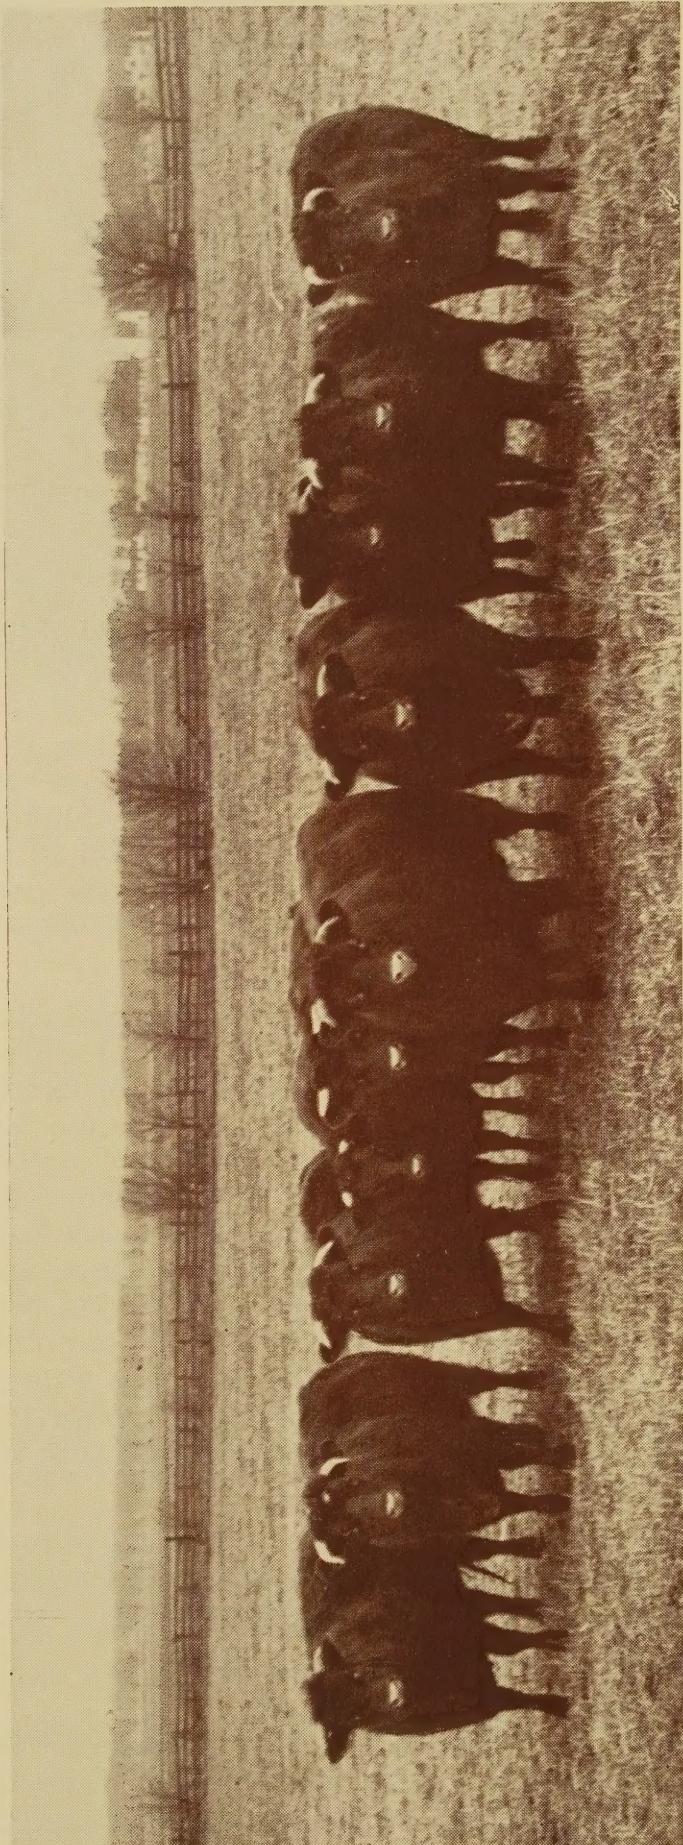

We invite you to join us on the occasion of our 29th annual Shorthorn sale. Here at Edellyn we believe that consistency is the measure by which seed stock must be judged. No one can make progress through the acquisition of individuals or bloodlines that produce only occasional good ones. A successful herd program cannot be developed overnight.

For 29 consecutive years, uninterrupted by changing economic conditions, Edellyn has held its annual Shorthorn sale. Approximately 1,100 head have been sold. Naturally we are proud of the contribution they have made to the live stock industry. However, our greatest satisfaction comes from the knowledge that each of you feels a co-ownership with us in the things that make Edellyn. The hundreds of cattlemen who attend this sale comprise the most discerning audience in the world. We appreciate the critical eye with which you judge our sale offering, our herd bulls and cow herd. We know this stems from a feeling that you have a real stake in what goes on here. Continue to judge our cattle by standards that are apart from any other, and we will do our utmost not to disappoint you.

We sincerely hope you will be with us. Please plan to arrive on Sunday, the day prior to our sale, for a leisurely inspection of the sale cattle and the breeding herd.

*Thos. E. Wilson*

# Why Edellyn Remains Strong . . .

**To maintain Edellyn's position** as the nation's greatest improver of beef cattle each year for 34 years a group of outstanding replacement females must go back into the herd. Pictured are some that went back last year. You'll see them this year with their calves by Beaufort Bulldozer, Cruggleton Guthrie and Edellyn Royal Leader 114th . . . the best in the history of Edellyn. There are over 300 head of Shorthorns at Edellyn. It is a herd large enough so that it can share its outstanding females with the public.

## General Sale Data

## THE NEW OWNERS...

A distinguished gathering! Here are the two bulls that shared the spotlight at the 1953 Edellyn Sale. Each sold for \$15,000. At the left is Edellyn Prig Mercury with his new owner, R. E. Smith, Houston, Texas. At the right is Edellyn Royal Leader 149th with his new owners, Mr. and Mrs. H. D. McGowan, Maclyn Plantation, Albany, Georgia. In the background is Thos. E. Wilson, owner of Edellyn Farms.

Nearly 1,100 animals have been sold in the 28 annual Edellyn sales. There is hardly a state or province into which they have not gone. It would take a mathematical wizard to estimate how many hundreds of thousands of cattle have received the improving influence of these animals and their descendants. Because the influence of Edellyn cattle is so lasting, the cost of acquiring them can be distributed over scores of their descendants.

Family prolificacy and performance is the measure used at Edellyn to judge its females. Right to left, Calrossie Clipper Pet by Kirkton Baronet; her daughter, Edellyn Clipper 48th by Millhills Champion; and Edellyn Clipper 55th and Edellyn Royal Leader 190th, both by Edellyn Royal Leader 114th and out of Edellyn Clipper 48th.

#### ON THE COVER . . .

Did you notice the five heifers pictured on the front cover of this catalog? Good, aren't they? Two of them sell, the other three go back into the Edellyn Herd. From left to right they are: Edellyn Beauty 37th (Lot 33), Edellyn Clipper 55th, Edellyn Princess Royal 39th (Lot 17) Edellyn Clipper 56th and Millgate Secret 7th.

Edellyn Banker Mercury by Edellyn All-Star Mercury, Junior and reserve grand champion at the 1953 American Royal Show in Kansas City and junior champion at the 1954 National Shorthorn Show in Denver. He will sell as Lot 1 in this auction.

## *Something to Think About . . .*

Four championships are awarded at each major show along with one first prize in the get of sire class. These are the awards that really count . . . the awards most coveted by all breeders. In the seven year period since shows have been resumed following World War II, a total of 80 such prizes have been awarded, at the American Royal Show and International Live Stock Exposition. A total of 40%—nearly half—of all these top awards at the two greatest livestock shows in America have been won by Edellyn bred animals or direct descendants of Edellyn bred animals.

*There's nothing like them in the business*

A composite photograph of purchases made by R. E. Smith, Houston, Texas, in the 1953 Edellyn sale. Front row left to right—Edellyn Jealousy 23rd by Edellyn Prig Mercury by Edellyn All-Star Mercury; Edellyn Fair Maid by Edellyn Diamond Mercury. Back row—Edellyn Princess Royal 37th by Edellyn Squadron Leader; Edellyn Royal Leader 156th by Edellyn Royal Leader 114th; Edellyn Orange Blossom 87th by Saltoun Leader; Edellyn Beauty 32nd by Edellyn All-Star Mercury; and Edellyn Dorothy 30th by Saltoun Royal Squadron Leader; Edellyn Crest.

Purchases of Almahurst Farm, Nicholasville, Kentucky, in the 1950 Edellyn sale. Left to right—Edellyn Rothes Leader by Saltoun Squadron Leader; Edellyn Duchess Gloster 16th by Edellyn Royal Leader 23rd; Edellyn Victoria 25th by Edellyn Royal Leader 23rd; Edellyn Rosewood 59th by Saltoun Squadron Leader; Edellyn Orange Blossom 76th by Edellyn Royal Leader 23rd; Edellyn Secret 6th by Edellyn Royal Leader 23rd; Edellyn Orange Blossom 77th by Cruggleton Braemar; and Edellyn Myrtle 22nd by Edellyn Royal Leader 23rd. The Almahurst herd, one of the nation's best, was founded entirely through purchases made at the Edellyn sales.

Breeders single out and point with pride to Edellyn-bred animals and descendants in their herds. Entire great herds have been founded exclusively through Edellyn bloodlines. Remember . . . every day . . . everywhere . . . Edellyn bloodlines are producing the champions and top sellers. There's nothing like them in the business.

Edellyn females are examined for pregnancy by Dr. E. E. Woelffer, Oconomowoc, Wisconsin, a leading authority. Where breeding dates are printed in this catalog, the animals have been examined and are pregnant. All other breeding dates will be announced on sale day.

# EDELLYN ROYAL LEADER 114TH

*The Greatest Individual Ever  
Produced at Edellyn . . .*

Students of Shorthorn ancestry will recognize every animal in the pedigree of Edellyn Royal Leader 114th as an outstanding individual and great producer. Each of these animals was mated to produce offspring better than themselves. The result was the "114th." Edellyn Royal Leader 23rd was the greatest breeding son of Edellyn Royal Leader. Edellyn Bonny Rothes is out of Edellyn Royal Leader's dam. Two crosses of Calrossie Mercury are carefully blended into this pedigree.

Edellyn Royal Leader 114th was great as a calf, an outstanding show winner as a yearling and two-year-old, and is even better as a mature bull. His many winnings include the grand championships of the National Shorthorn Show at Omaha, the American Royal, the Iowa, Indiana and Wisconsin State Fairs.

Those who would like further proof that the "114th" was no accident should look at his two full sisters (see picture on page 1.)

1954 is the year that the "114th" will really come into rightful recognition as a sire. It is true that his first calf at twelve months topped the 1952 sale and that one of his first daughters was the 1953 International grand champion female. However, this year we have many more of his calves, yearlings, and two-year-olds to prove our claims. Six sons and three daughters sell. Without a catalog we believe you could pick them, so closely do they adhere to his great beef type.

*. . . and Many Believe He's The Greatest Sire.*

these youngsters  
are by him—**

The others are all by Edellyn Royal Leader 114th. They are from left to right: Edellyn Royal Leader 177th, 179th, 183rd and 180th. Unretouched photo.

Beaufort Bulldozer

Famous as a sire on two continents and respected wherever Shorthorns are known. His first five sons went to Perth this year and averaged \$5,740. The oldest was thirteen months. His son, Beaufort Brisket, went to Parker Ranch in Australia at \$10,800. His son, Beaufort Brave Baron went to Cabana Mitikili in Argentina at \$10,200. We will display his first Edellyn calves on sale day. Ten females sell bred or with breeding privilege to him.

**Beaufort Bulldozer:**

Is considered the best bull ever bred at Beaufort. He was retained for herd use but purchased privately by Edellyn and Almahurst at a high figure. Shown only once as a young calf when taken off grass to win the supreme championship at the 1951 Keith show. An offer of 5,000 pounds made by the Cadzow Brothers prior to the 1953 Perth Sale was refused. The record of his first calves sold through the 1954 Perth Sale, and the calves at Edellyn and Almahurst provide positive proof that he is one of the breed's all time great sires.

**Cruggleton Pentland Firth:**

His first crop of calves averaged 1,066 guineas at Perth. In the 1952 Perth Sale his calves averaged 1,700 guineas. Died accidentally at an early age.

**Orange Talisman:**

The breed's greatest producing cow. Two sons are in service in Argentina, one in Australia, one in Scotland and one in America. Besides Beaufort Bulldozer, she is the dam of Beaufort Bolido, Perth reserve junior champion that sold for 4,000 guineas; the 1,350 guinea Beaufort Blockbuster, the 1,750 guinea Beaufort Bremen, and Beaufort Orange Talisman, supreme champion, 1947 Royal English Show, sold to Ringwell Farms for 1,180 guineas, being top price female of that year. The senior, junior, grand and reserve grand champion females at the 1952 International were all granddaughters. Beaufort Orange Talisman is the dam of the 1953 International grand champion female. *Also known and respected the world over*

Left—Cruggleton Perrit, the first son of Cruggleton Guthrie to be offered at public auction. This nine-month-old calf sold for the 1953 Perth second top price of 4,400 guineas (Approximately \$13,200) to head the famous Beaufort herd.

Right—Lou Averne, the first daughter of Cruggleton Guthrie to be offered at public auction. Purchased as an open heifer by Edellyn Farms for \$5,000, top female price of the 1953 Mathers Sale.

It would never have been possible for us to acquire **Cruggleton Guthrie** had it not been for the death of A. J. Marshall. He was just starting his stock bull duties at Cruggleton when we purchased him at the top price of their dispersion. Two of his first calves are pictured and described above. The female champion of the Angus County Show in Scotland was by Guthrie. The reserve champion female at the Turriff Show, the biggest one day show in Scotland, was also by him. Cruggleton Guthrie is a full brother to the 4,000 guinea Cruggleton Godwin, stock bull at Cluny Castle. Pearl Golden Drop was the dam of Cruggleton Giff, sold to the Argentine for 2,140 guineas.

Certainly a consideration by A. J. Marshall and by us in selecting Cruggleton Guthrie as a stock bull was his concentration of Cruggleton Perfect blood, through two of Perfect's best breeding sons, Cruggleton Braemar and Cruggleton Adjuster.

Cruggleton Perfect was regarded as the most perfect specimen of the breed and Scotland's greatest sire. A list of his descendants that proved outstanding would fill a volume. The calves by Guthrie at Edellyn and Almahurst are excellent and will be on display.

Edellyn All-Star Mercury

Edellyn All-Star Mercury is one of the most popular bulls ever produced at Edellyn. He is the son of Calrossie Mercury we selected to carry on and his calves prove we were right. In our 1952 sale he sired the \$10,000 record price female, Edellyn Rosewood 65th. In the 1953 sale he sired the \$15,000 Edellyn Prig Mercury, and the two top selling females, Edellyn Jilt 14th at \$6,100 and Edellyn Beauty 32nd at \$6,000. Edellyn All-Star Mercury was the grand champion of the 1948 Iowa State Fair and stood first at Illinois, Indiana, and the American Royal. Edellyn Flossy Shane 4th was the grand champion female at Fort Worth as a calf.

Calrossie Good News

*His Calves Last Year  
Averaged \$2625*

*Some of the Best This  
Year Are By Him*

In 1952 we exhibited as a pen the first calves by Saltoun Royal Crest. In 1953 eight by him averaged \$2,625. Some of the best ever produced at Edellyn are by him and are in the 1954 sale. He combines the potency of Calrossie Good News with the famed K. P. MacGillivray Rothes Queen family. It is the aim of the owners of Edellyn to infuse into the herd in some form, the blood of the sires that are making history, no matter where they are located. Note in the pedigree of Saltoun Royal Crest the perfect blend of the blood of Calrossie Good News, Kirkton Baronet and Chapelton Royalist, three of the most famous sires in Shorthorn history.

# IT'S A PATTERN

Best ten head 1950 International and 1950 National Shorthorn Show, Memphis. All bred and exhibited by Edellyn.

*A consistent pattern -- that quality  
stamped on every Edellyn production*

The grand champions of the 1951 American Royal, Edellyn Royal Leader 114th and Edellyn Princess Royal 27th. Both are out of Edellyn-bred females and both are sired by Edellyn Royal Leader 23rd.

Cherry Hill Royal Leader x

Grand champion Polled Shorthorn bull, 1949 International. Owned by Avenel Farms, Bethesda, Maryland, where he is making a great record. His sire, Edellyn Royal Leader 2nd, the first son of Edellyn Royal Leader, made history in the famous Cherry Hill Polled Shorthorn herd.

Carona Fascination x

Reserve senior champion bull, 1953 International. Bred by Carl M. Johnson, DeKalb, Illinois, exhibited and owned by Lynnwood Farms, Carmel, Indiana. His sire, Cherry Hill Royal Oak x by Edellyn Royal Leader 2nd, was an International reserve champion and is making history in Carl Johnson's famous Carona herd.

The same Edellyn Bloodlines that have stamped quality through the Shorthorn ranks, have left their improving influence in the Polled Shorthorn branch of the breed. We congratulate Polled Shorthorn breeders on the progress they are making and are proud that each year a number of the best in our sale are selected by them.

All of these open heifers sell in the 1954 Edellyn sale. Left to right: Edellyn Secret 11th (Lot 24); Edellyn Beauty 37th (Lot 33); Edellyn Dorothy 32nd (Lot 23); Edellyn Bonny Rothes 11th (Lot 25); and Edellyn Augusta 50th (Lot 34).

# Consistency . . .

## The Most Important Consideration In Selecting Cattle To Improve Your Herd

If someone told you that the heifers pictured above were all by one bull, you would probably say, "Now there's a bull that really has the ability to sire uniformly top calves."

It is an interesting fact, however, that these heifers are sired by three different Edellyn-bred bulls.

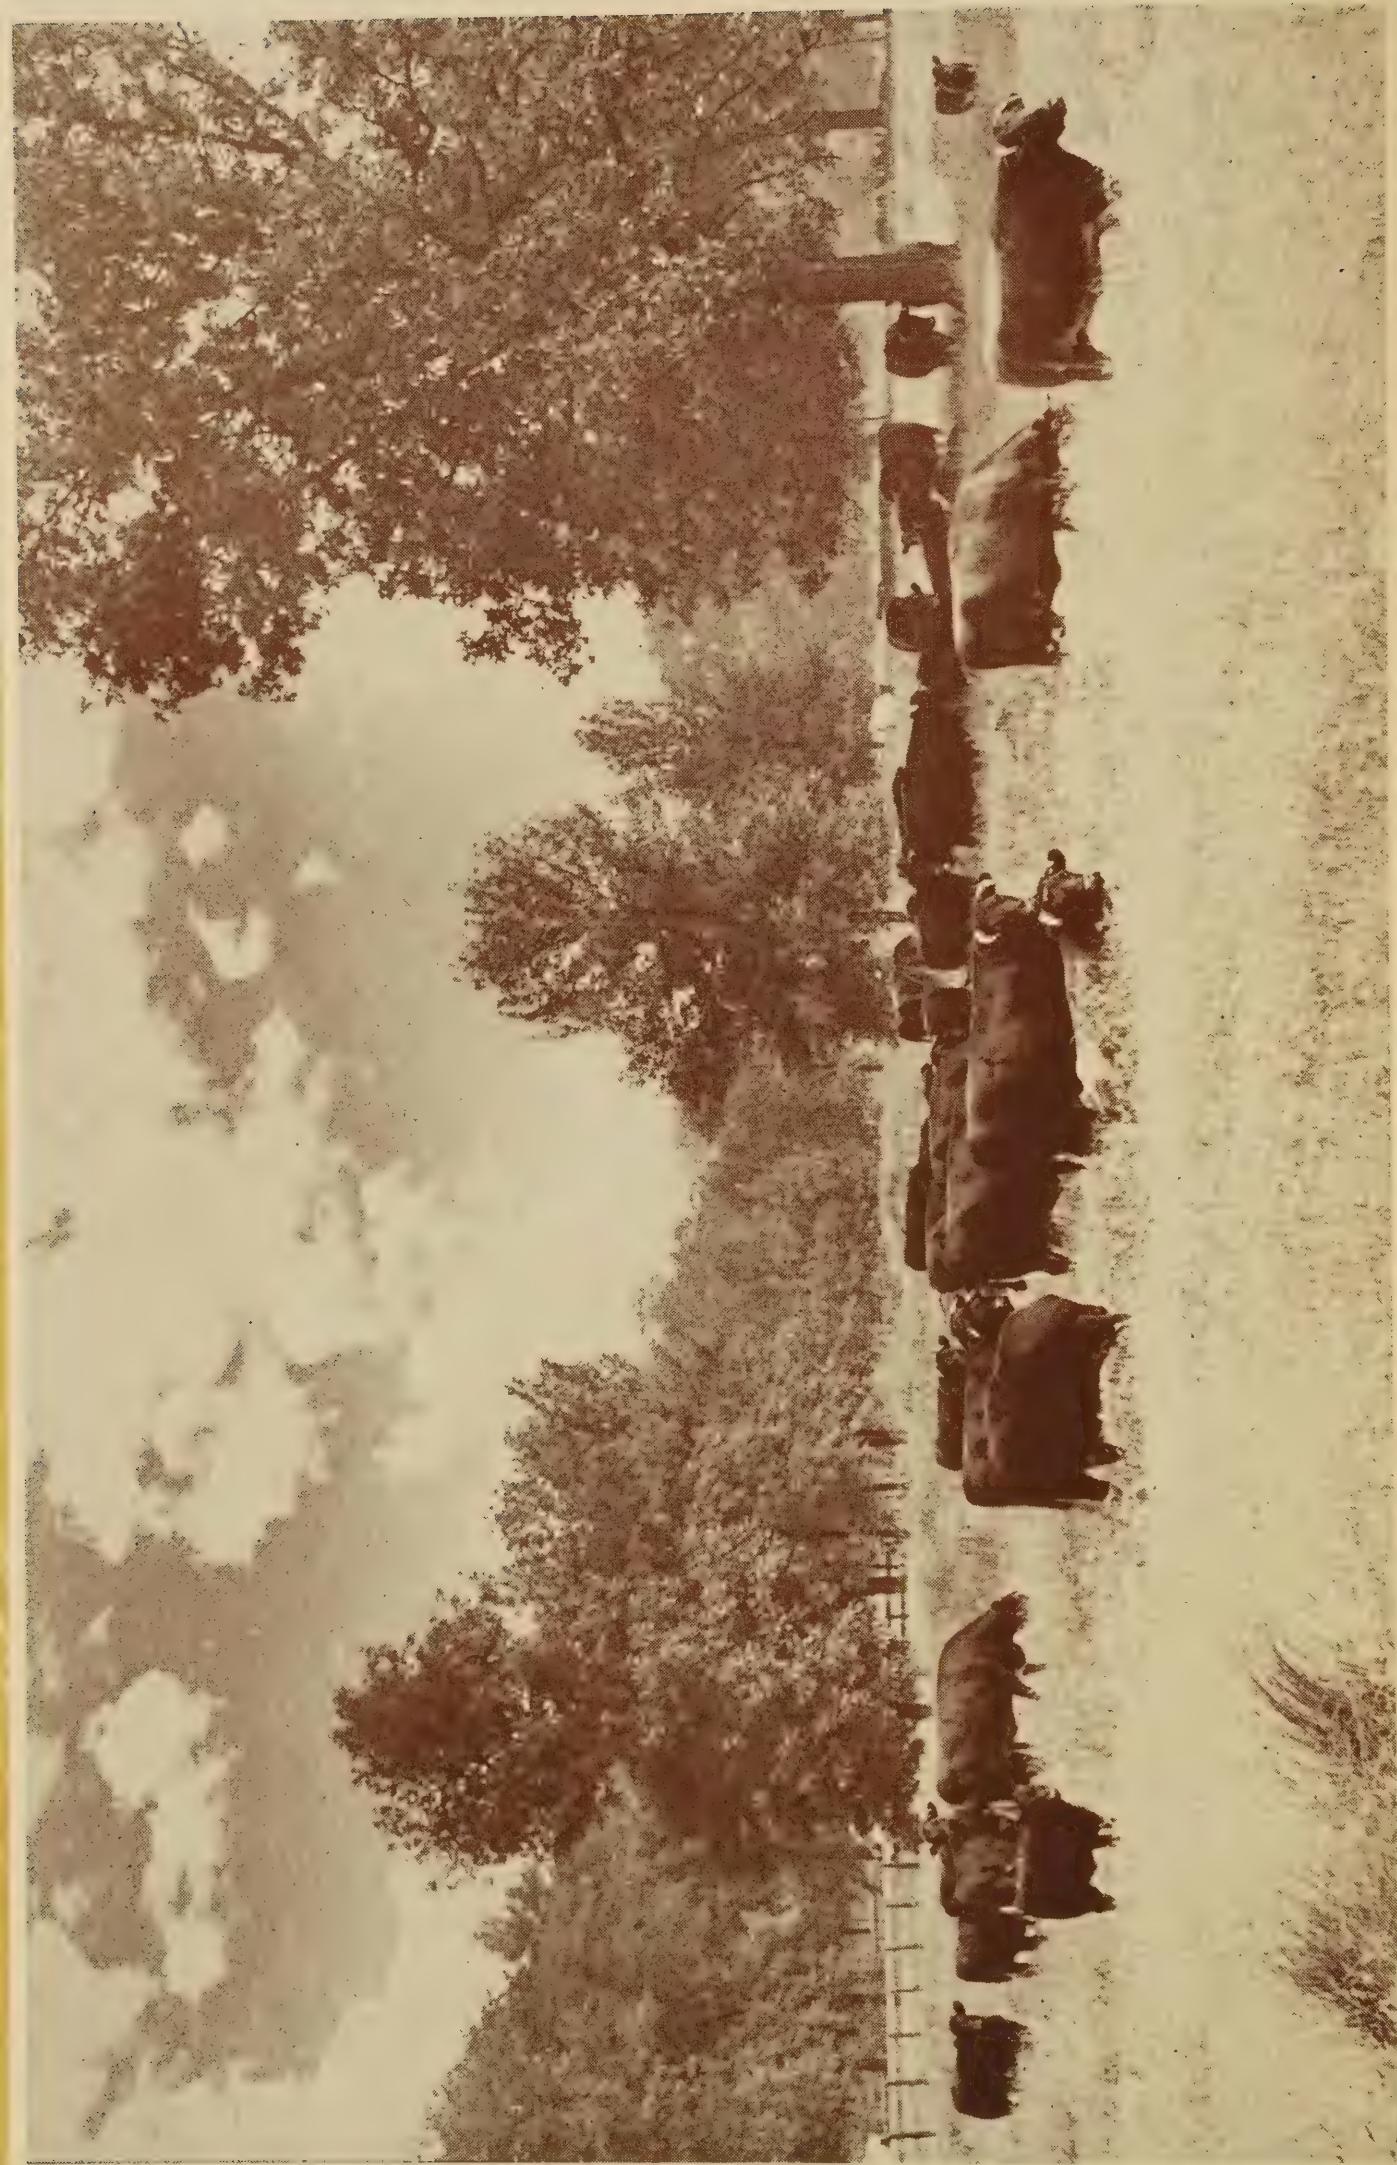

Why do three different Edellyn bulls sire individuals so much alike? Study the pedigrees in this book and you will have the answer. Notice how the blood of such great Edellyn individuals as Edellyn Dorothy 21st, Edellyn Flossy Shane 4th, Coldoch Bonny Rothes, Calrossie Mercury, Edellyn Royal Leader, to mention just a few, appear over and over, in different blends.

Thus, all Edellyn cattle have a true pattern . . . the kind of background that gives you the greatest assurance of producing what every breeder wants . . . a calf crop consistent in type and quality.

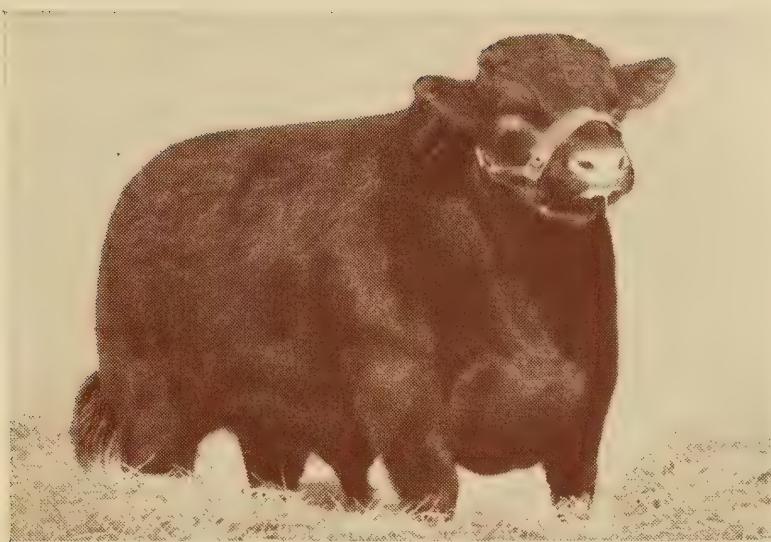

With each Edellyn cross you lock into your herd the Edellyn pattern.

In my opinion, the 1954 Edellyn offering is the best yet provided from this most famous of all North American Shorthorn breeding establishments.

HAL LONGLEY  
of The Shorthorn World.

For over a third of a century Edellyn Farms, Wilson, Illinois, have provided the nation with a practical purebred Short-horn demonstration, from which seedstock has gone to leading herds in all sections. This picture shows a group of Edellyn cows and calves on pasture.

Edellyn Banker Mercury

### Edellyn Banker Mercury

Junior and reserve grand champion bull at the 1953 American Royal Show and junior champion at the 1954 National Shorthorn Show in Denver. He speaks for himself and for the improving influence of the Mercuries. His sire, Edellyn All-Star Mercury, represents a combination of the blood of Calrossie Mercury and Edellyn Royal Leader. His dam is an excellent imported cow sired by Millhills Arthur. His half brother, Edellyn Prig Mercury, sold to R. E. Smith of Texas at \$15,000, top figure of our 1953 sale. See him on sale day and be sure also to see his full sister, Lot 36 in this sale. We have great faith in Edellyn Banker Mercury and have used him liberally before listing him in this sale.

Edellyn Security

**Edellyn Security**

We consider him one of the best that has been produced in the forty-year history of the Edellyn herd. He is a grandson of the noted Calrossie Good News by Kirkton Baronet. The last calf out of his dam was a heifer that sold to Hawthorne Farms in Virginia at \$2,500. This bull is exceptionally smooth and blocky, with lots of bone and legs well out at the corners. We believe Edellyn Security can top the summer yearling class and, with the consent of the buyer, we would like to retain him for exhibit at the 1954 shows.

### Edellyn Polar Mercury

First prize junior bull calf at the Illinois State Fair and reserve junior champion at the Wisconsin State Fair in 1952. Here is a bull with a wonderful head, lots of substance, and great weight for age. His imported dam is one of the top cows in the Edellyn herd. One of her heifers went to Carl Stander in Ohio at \$1,000 and another daughter sold at \$2,000 to Massey-Harris Farms in Ontario where she is considered one of the best. Harry Ackerman says that her 1954 calf by Beaufort Bulldozer is the best ever born at Edellyn. White bulls were in great demand and brought top prices at the 1954 Perth sale in Scotland. This bull is ideally suited to the needs of American breeders.

Edellyn Royal Leader 171st

**Edellyn Royal Leader 171st**

We consider him one of the best individuals yet sired by the many times grand champion Edellyn Royal Leader 114th. His dam, line-bred in the blood of Calrossie Mercury, also produced Edellyn Royal Leader 144th, the outstanding bull that sold at \$7,500 to Acadia Farm in the 1953 Edellyn sale. A heifer out of the same dam went to Almahurst Farms at \$1,550. This bull was not exhibited as a calf but can do a lot of winning in the junior yearling class this year.

She is the dam of Edellyn Perfect Reward that is making a great record in the Kenneth Kettchenhofen herd in Wisconsin. She is also the dam of Edellyn Gaelic Mercury, herd bull for the late Almos K. Reynolds in Washington, and Edellyn Royal Leader 156th that sold to R. E. Smith of Texas at \$3,000 in our 1953 sale. Any bull that displays such a perfect head is certain to make a great stock bull. His imported dam, a daughter of Kirkton Baronet, has done more for Edellyn than most any other cow. We retained a daughter, Edellyn Clipper 48th, and she is perhaps our best cow today. She in turn produced Edellyn Royal Leader 151st that sold for \$4,900 to Carson Gibson; Edellyn Clipper 55th, our winning senior yearling heifer in 1953, and Edellyn Royal Leader 177th that we are retaining as a junior stock bull. Calrossie Clipper Pet is also the dam of Edellyn Royal Leader 163rd, stock bull at Susanna Farms, and Edellyn Clipper 53rd, a top female in the Massey-Harris herd.

# THE FIRST INDICATION OF THE ROYAL LEADER— BEAUFORT BULLDOZER CROSS

Pictured is Ringwell Orange Talisman, 1953 International grand champion female and reserve champion female 1952 International. In 1951 Ringwell Farms arranged to breed their famous cow Beaufort Orange Talisman to Edellyn Royal Leader 114th. This great champion was the result. Since Beaufort Orange Talisman was out of the same cow as Beaufort Bulldozer, this provides the first indication of what the Royal Leader-Buldozer cross will be.

### Edellyn Dare Devil

Sired by a grandson of Calrossie Good News and out of the beautiful cow Edellyn Dorothy 21st, junior and reserve grand champion at the 1946 International. All of the daughters of this cow have been retained. She was also the dam of the champion Edellyn Squadron Leader that we used successfully and that is now owned by John Shuman, Deer Trail, Colorado.

Edellyn Dorothy 30th, shown above, was purchased in the 1953 Edellyn Sale by R. E. Smith, Houston, Texas, at \$4,000. She is from the same family as Lots 14 and 37 and is out of the same dam as Lot 23.

**Edellyn Annabelle 3d**

A beautifully smooth heifer from one of the best producing cows in the herd. She is much like her half sister that sold in the 1953 Edellyn sale to John Alexander & Sons, Aurora, Illinois, at \$4,100. Be sure to see this heifer and her full sister, Lot 22. Edellyn Annabella 3rd was bred March 5 to Beaufort Bulldozer.

Edellyn Rosewood 65th. This daughter of Edellyn All-Star Mercury, dam by Edellyn Modern Mercury, sold to Almahurst Farm of Kentucky for a record female price of \$10,000 in the 1952 Edellyn sale.

**Edellyn Rosella**—This very sweet heifer is out of an excellent daughter of Edellyn Modern Mercury. When you come to the sale we want you to be sure to have a look at an October, 1953, bull calf sired by Edellyn Royal Leader 114th and out of Elmhurst Rosella. He is so outstanding that he will cause you to want to own his half sister, Edellyn Rosella. She is in calf since Feb. 18 to Beaufort Bulldozer and her calf might easily be a champion.

R B Craibstone Beauty S

**RB Craibstone Beauty S**

A very good heifer sired by Naemoor Monitor, an imported bull that is doing a fine job in the Rasmussen herd in Iowa. His sire, Cruggleton Prince Bob, was the sire of many famous bulls in Scotland including Naemoor Marshal that sold at Perth for 4750 gns. to K. P. MacGillivray and Naemoor Nobleman, a Perth first prize winner that sold for 2800 gns. to an Argentine buyer. This heifer was bred Feb. 20 to Edellyn Royal Leader 149th that sold at the top figure of \$15,000 in the 1952 Edellyn sale to Maclyn Plantation, Albany, Georgia.

Here is another very sweet daughter of Edellyn Royal Leader 144th, the bull that is now in service at Acadia Farms in Ohio. This is a heifer's first calf. The dam is a daughter of Edellyn Royal Leader and the granddam is by Calrossie Mercury. We did not intend to sell this heifer and she is not in high condition but we believe she will make a grand brood cow.

Edellyn Fairy Ring 11th

**Edellyn Fairy Ring 11th**

Her sire, Edellyn All-Star Mercury, many times a champion, was the sire of the \$10,000 Edellyn Rosewood 65th that sold in 1952 to Almhurst Farms in Kentucky. He was also the sire of Edellyn Prig Mercury that sold at \$15,000 in 1953 to R. E. Smith of Texas, and many other high selling animals. This heifer sells open.

Edellyn Luxury

**Edellyn Luxury**

A rich dark red daughter of Edellyn Squadron Leader. She is the first calf out of a heifer we purchased from Mathers Bros. and her granddam is one of their good imported cows. She is in calf since Jan. 2 to Edellyn All-Star Mercury, sire of some of the highest selling animals ever produced at Edellyn Farms.

A composite picture of some of the top selling animals in the 1953 Edellyn sale. Front row, left to right, Edellyn Royal Leader 149th, sold to Maclyn Plantation, Albany, Georgia; Edellyn Clipper 54th, sold to Lynnwood Farms, Carmel, Indiana; Edellyn Prig Mercury, sold to R. E. Smith, Houston, Texas. Back row, left to right, Edellyn Princess Royal 37th, sold to R. E. Smith; Edellyn Royal Leader 156th, sold to R. E. Smith; Edellyn Orange Blossom 87th, sold to R. E. Smith; Edellyn Orange Blossom 89th, sold to R. E. Smith; and Edellyn Beauty 32d, sold to R. E. Smith.

Purebred breeders must never forget that they are primarily in the business of producing beef animals of better quality and greater efficiency. The steers pictured were the grand champion carload of Shorthorn fat steers at the 1949 International, bred, fed and exhibited by Edellyn's Iowa farm. Since this herd numbers about fifty there was no opportunity to select. We simply had to take all the steers of the proper age from this calf crop to make this load. When it is considered that nearly all carlot exhibits come from professional feeders who first select perhaps two hundred steers from a pick of thousands on the western range and then make a further selection of fifteen for their carload, this winning was most significant. Remember, too, that Edellyn-bred bulls or their descendants have produced four International grand champion steers over all breeds . . . a record unequalled by any herd of any breed.
